

## Barbera d'Asti DOCG Vespa Cascina Castlet

### The Producer:

Cascina Castlèt has belonged to the Borio family for generations and the current owner, Mariuccia, inherited it from her father in 1970. Over the years she's sought to modernise the winery and the wines. A touch of creativity has always gone into the names of our wines and as Mariuccia puts it: "Passum, Policalpo, Avié, Litina, Goj, Ataj and Uceline. They all have a little secret, a story, which we invite you to try and discover. Those who choose a bottle of Cascina Castlèt love beautiful things, good things, things that make them dream". It's a matter of ethics and culture. For us, ethics and culture mean respect for the environment and for those who work with it."

### The Wine:

### Tasting Notes:

- Deep and brilliant ruby colour, intense, vinous bouquet that is pleasantly fruity with undertones of freshly picked flower and fruits. Harmonious and balanced palate.
- Barbera is now rightfully Piemonte's second most glamorous grape after rising from being historically poorly regarded. Cascina Castlet carefully select the best grapes and vinify them to extract the best of Barbera's flavour and tannins. Pleasantly fruity with a harmonious and balanced palate.avourful nish.
