

Sito Moresco Langhe DOC - Gaja

GAJA

The Producer:

Taking its name from that of the original vineyard. A complex, harmonious blend of Nebbiolo & Barbera.

The Wine:

Grapes: 60% Nebbiolo, 40% Barbera
Area: Mainly Pajorè in Treiso and in Serralunga. Exposure: eastern and western exposure. Soil: predominantly limestone.
Vinification: Fermented and aged in stainless steel tanks and oak casks.

Tasting Notes:

Intense and bright ruby colour. Violet, mulberry and fresh spices aromas on the nose. Crunchy red fruity aromas of red plum and red cherry along with fresh savoury aromas, lead to a long-lasting finish with a hint of minerality. The wine has a super charming and juicy body, characterized by harmony and freshness, with ripe and well-integrated tannins.
