

Montepulciano d'Abruzzo DOC Bellamico, Rocca

The Producer:

At the end of XIX century, Francesco Rocca started his historical business by selling wines produced in the south of Italy. The Company grew on the experience of four generations, sharing the passion for producing deserving wines with consumer-oriented taste. Nowadays, Ernesto Rocca (the founder's grandson) along with his three sons runs the family business, which includes a leading trot horse stud farm.

The Wine:
